Hidden Gem's Tavern

Thorhild County

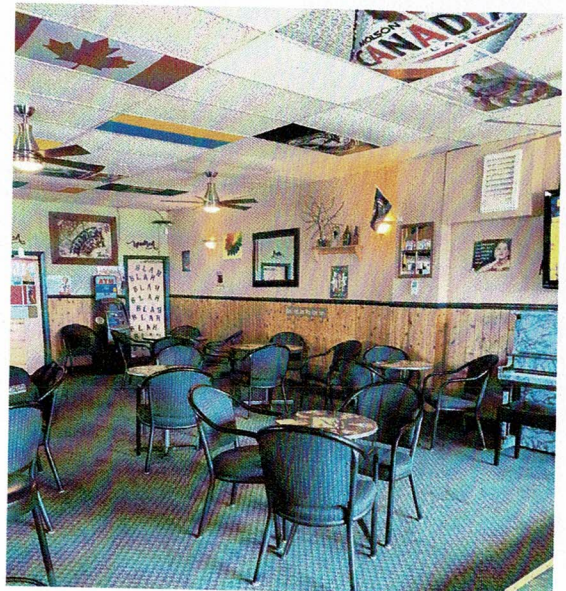

Formally known as The Watermelon Patch, Hidden Gem's Tavern opened on October 15, 2020 in Egremont.

What is known to locals as the Egremont Hotel, it has rich historical value to the local area. Back in the 1980's and early 1990's on many weekends, Mel Paulson would lead a string of trail riders from his farm just north of Redwater, through trails that he had made, leading all the way up to what was then Sunset Restaurant on Hwy 28 and up to Egremont Hotel. Many of the pictures from these trail rides are on various tables at Hidden Gem's to this day.

Other pictures you will find at Hidden Gem's are the many birthday parties, bachelor and bachelorette parties, and other special moments that locals have celebrated there. Although, many of the rooms upstairs have been renovated, the character of the hotel still shows.

Laura & Cindy have maintained the history and continue to carry on what the hotel is known for, good food and live entertainment. Although they had struggles during Covid like all hospitality/restaurants had, it never brought them down. They continue to welcome anyone who comes in with smiling faces and great customer service.

For their specials and live entertainment schedule, you can follow them on their Facebook page at: <https://www.facebook.com/hiddengemstavern>

Round Table Consultation – Lac La Biche

On June 23, 2022, our Chamber attended a round table consultation with the Ministry of Agriculture, Forestry and Rural Economic Development in Lac La Biche. It was part of the consultations taking place across the Province to provide the Government of Alberta with an opportunity to connect with rural communities and business leaders and to provide input for future rural economic development policies and programs.

We found it very informative listening to other communities having the same struggles we are as a small community and provide input to the Alberta Government. Our President was able to speak to Deputy Minister Shannon Marchand and advocate for some key infrastructure projects and offered suggestions for future collaborations between the Alberta Government, Municipalities and Chambers of Commerce.
