## Member Spotlight

*The Member Spotlight for this edition is Redwater Public Library*

The Redwater Library want sand strives to be a valued partner of the Redwater & Sturgeon County community. A place that encourages inspiring life-long learning and engagement.

The Redwater Library was established in March of 1953, to serve as a welcoming environment that facilitates literacy, creativity, diversity, innovation and access to information resources.

Their values have six key focus areas: creating young readers through early literacy, celebrating diversity and cultural awareness, community connections and library visibility in the community, comfortable physical and virtual spaces and facilitating the expressions of creativity and satisfaction of curiosity.

The Redwater Public Library is currently open from Tues - Fri 11 am - 5 pm. Book drop off can be done in the book drop off slot to the left of the door at any time.

At this time, we ask that you please wear a mask and sanitize upon coming into the library to help keep our staff and volunteers safe.
